This offer is valid for period of 5 days. with confirmed purchase order.

Supply of the equipment can be completed within 4- 5 weeks from the date of receipt of technically and commercially clear order or advance, whichever is later. The delivery is subject to Force Majeure conditions.

Substantial Installation of equipment can be completed within a week of supply of the equipment. The installation is subject to readiness of site as per our engineers recommendation. Once installed, user training will be imparted to the operator / users.

This is not included in our scope and will have to be done by the site contractor. If required we can give a separate offer for the telecom cabling which will be site specific. While Installation, it is recommended to have the field cabling technician at site. Warranty as per manufacturer. Payment 100% advance.
